Principal Auden,

Upper Canada College.

Dear Principal Auden:

Mr. Mackay came to see me on Monday morning about his son and told me that he would write me with regard to his standing. It is quite unfortunate that he has missed his honours by a margin when apparently he was entitled to get them. I hope, however, that our committee will allow him to enter. The fact that you are able to send such a strong recommendation on his behalf will undoubtedly weight greatly with the Committee. I will hand your letter over.

With kind regards, I am,

Yours sincerely,

President.

Dear Principal Auden:

I hope to be able to be with you on Friday, the 22nd, though to do so I have to refuse an invitation sent by the Mayor to meet the Aberdeens at lunch, and also to absent myself from our Track Games.

With kind regards, I am,

Yours sincerely,

President.

Principal Auden,

Upper Canada College.
